Staff & Caddies' Day 26 Oct 08

While many clubs have done away with this member-staff event, Changi Golf Club has maintained this tradition of appreciating the "unsung" heroes who toil tirelessly on the course and in the clubhouse.

Please continue to support our annual Staff & Caddies' Day on 26 October - participation fees of \$100 per member will include the competition game + turfmate, prizes, sumptuous dinner and entertainment.

Other forms of support in cash or in kind are most welcomed too. Please contact the Club Manager for more details.

REGULAR COMPETITION STANDING ORDER

To facilitate smoother registration for competitions, the Golfing Section has deployed a system of "Standing Orders" for members who wish to participate in the regular club competitions, such as the monthly medals. **However this Standing Order is not extended to Inter-Club Friendlies, be they home or away games.**

Participation in Inter-Club Friendlies are prioritised starting with members of the Management Committee as the official hosts; participants of the respective home game as hosts to our guests; and, finally the other members who have registered their interest to participate. And because of this priority list, the Standing Order for regular club games is not exercised.

Therefore members who wish to participate in Inter-Club Friendlies are advised to register their interest on the respective game's registration sheet on the notice board. Members are also encouraged to participate more actively in Home-based Inter-Club Friendlies to move up the priority list for away friendlies.
