Changian Send-Off

It's a pity this did not make the Strait Times headlines.

On 27 July 2008, at the request of his widow, Hardial's hearse made a round trip to the place he loved most on earth: **No. 20, Netheravon Road.**

At 1.30pm sharp, Hardial Singh, resplendent in a turban, was driven to the entrance patio of Changi.

With the club flag at half-mast, a long siren sounded through the golf course and all the monthly medal players stood to attention and observed a minute of silence. At the clubhouse, other members and friends paid their last respects.

A floral wreath was laid on his casket, Hardial in his contented serenity made his final exit from his beloved Club. His widow crying and remarked while breaking through her hysterics, "Now I know why Hardial liked this Club so much!"

Young, friendly, generous beyond his calling and always wearing a smile, Hardial's ambition was to play a game and enjoy a drink with every club member.

We mourn your passing, Hardial. And we miss you dearly always!

More Timely Information Every Month

Printed periodicals are always dated - by virtue of the production timelines and the dreaded nature of chasing for materials, the time lag between what had happened and what will be reported will inevitably be a constant challenge.

The Editorial & Publicity Subcommittee aims to bridge and narrow this gap with this expanded newsletter - we will focus on providing more timely information and club happenings with each monthly statements. These will include promotion of Club Events, announcements, competition results and fixtures on our Club's calendar.

And in this issue, look out for the **Karaoke Competition** and the super-saver - **Golf & Makan Promotions!**

Finally we are always looking out for contributions - be it an article, some constructive feedback, a photograph or simply something to share, do drop us an email, we'd love to hear from you!

REGULAR COMPETITION STANDING ORDER

To facilitate smoother registration for competitions, the Golfing Section has deployed a system of "Standing Orders" for members who wish to participate in the regular club competitions, such as the monthly medals. **However this Standing Order is not extended to Inter-Club Friendlies, be they home or away games.**

Participation in Inter-Club Friendlies are prioritised starting with members of the Management Committee as the official hosts; participants of the respective home game as hosts to our guests; and, finally the other members who have registered their interest to participate. And because of this priority list, the Standing Order for regular club games is not exercised.

Therefore members who wish to participate in Inter-Club Friendlies are advised to register their interest on the respective game's registration sheet on the notice board. Members are also encouraged to participate more actively in Home-based Inter-Club Friendlies to move up the priority list for away friendlies.
