CHANGI GOLF CLUB NEWSLETTER

The resort-style golf club, since 1971

MAY 2016

Editor's Column

A strong turnout of over 200 members came to cast their votes for the election of CGC's President, Vice President and General Committee members at the recent AGM. The scene at the Golfer's Terrace, before and after the AGM, was truly reminiscent of CGC's earlier days when weekends were crowded with members remaining at the club long after their golf game.

The final results of a hard fought election saw Dr. B K Nair and Mr Kim Chong Wah being voted in for the positions of President and Vice President respectively.

The new Management Committee thanks members for their support. Please help us make CGC an even better place, whether in terms of the golf course, facilities, or camaraderie.

Remembering Ron

It is with sadness that we inform members about the recent demise of Ron Spicer on 29 April 2016.

Ron Spicer had been a "spouse member" at CGC for many years. Apart from being a regular weekend

golf kakis, he was actively involved in the Greens and Handicap sub-committees. He often volunteered his services as Tournament Director for the Changi Open as well as CGC's annual CID tournament. Ron was also CGC's Club Manager from 2004 to 2006.

Affectionately called "Ang Moh" by several members, Ron will be remembered by many for his very British sense of humour, and for being a stickler over golf etiquette. Some errant golfers in CGC (myself included) may recall been chided by Ron for failing to rake a bunker. Some members may also have received warning letters for non-submission of scorecards when Ron was heading the Handicap Sub-committee.

Fellow gin & tonic drinkers at CGC will certainly miss "Ang Moh". Somehow, the drink was always more enjoyable with the company of Ron at the Golfers Terrace.

Ron leaves behind his wife, June, and 2 elder sisters who reside in the UK. We extend our condolences to them.

Bits & Pieces from the Club Manager's Desk

When tigers roamed the island, Singapore's population was below the one million mark. In the 1950s, the population was 1.01 million spread out within 224 sq miles. There was plenty of space both for the living and the dead. Today, cemeteries have to make way for development. While Singapore's land mass has expanded to 277 sq miles, the population has ballooned to 5.6 million.

A bit squeezed here and there for the populace and according to economists, critical mass is required for a robust economy.

Similarly, a club's small membership looks exclusive but lacks the strength in numbers. Changi's membership has been static and aging. Any country with an overly aging population will have cause for concern in terms of welfare, medical, economic and security. Changi's membership must undergo a renewal process to stay relevant for the next 20 years.

The 'pioneer members' of Changi, already in their twilight years, is a diminishing factor for any grandiose development plan. Many are inactive but continued to pay the monthly subscriptions. This pocket of 'pioneer members', who purchased their membership before 1990; paid the first land lease fee and the club house development fund, may opt to cash out before the deadline.

LADIES' GENERAL MEETING

Mrs. Alice Teo has decided to step down as Lady Captain after serving Changi well for several years. We take this opportunity to thank Alice for leading the ladies group with her fine leadership and wish her the best in her future endeavours.

The position of Lady Captain to lead the Changi ladies into a new chapter will be open for election during the Ladies' General Meeting on Saturday 28 May 2016 at 1pm at the Creek Room.

Candidates nominated for Lady Captain must be a transferable member. All categories of lady members are eligible to vote.

Nomination closes on Saturday 21 May 2016 at 1pm. Nomination forms are available from the general office. Please return the completed form to Fardanshah before the deadline.

A new management team has been elected and with congratulatory wishes still flowing in President Dr. Nair has acknowledged that the election was hard-fought. President Dr. Nair reminded that there should be no distinction between the elected and non-elected members and the camaraderie must be maintained.
