JUNE 2018

Editor's Column

As a social golfer, I have been enjoying my rounds of golf with my regular kakis mostly on Saturdays and Sundays. A good round of golf is my motivation to keep up with my weekend routine and meeting up with friends.

With my new role as a Committee Member in the new Management Committee (MC) for Year 2018-2020, and after only the first MC meeting, I realised that there are many things we need to do for our beloved Changi Golf Club to ensure that we can continue to play good golf and bring life back to our club.

Personally, I believe in good management practices. Going forward, I hope to contribute by starting conversations with fellow MC members, members and staff to identify key drivers that contribute to long term financial viability and sustainability of our club as well as a great golfing and social experience at our club. With key drivers, we ought to develop a clear and well defined Balanced Scorecard which

Bits & Pieces from the Club Manager's Desk

The dates for this year Changi Charity Open 2018 will be on the 20th, 21st, 22nd July 2018 (Friday, Saturday and Sunday) and the Sponsors' Day will be on Sunday, 29th July 2018.

Much have to be done to prepare for this event both administratively and operationally to provide a positive experience for our visitors and guests. With the current state of our club house and the on going process of the Land Lease renewal, no major works have been scheduled at the moment. However, basic cleanliness can make a lot of difference to all who patronize our club. We can all help to refrain from littering around our facilities and the golf course. We will do our best to clear cigarette butts from flower beds and around waiting areas near tee boxes, works are underway to sharpen up our flora around the golfer terrace and car park area.

Golfers may have noticed our boundary markers while golfing on our golf course. They are distinctively marked by grey poles with a red top. Please do not remove them as they are marked by our land surveyors. Golfers should take a one club length free drop not nearer the hole if the boundary markers are obstructing their golf shot.

We hope to see you at CCO2018!
