Bits & Pieces from the Club Manager's Desk

The 47th AGM went on smoothly in the evening while coinciding with the April Monthly Medal and the much anticipated Qualifying Round for the Mercedes Trophy 2018. The recent afternoon rains did not show up near Changi on that day and all golfers started to bake on the golf course.

Thanks to all staff from course maintenance, golf operations, memberships and admin, finances and facilities who put in much effort to prepare for the AGM.

Thanks also to the Management Committee 2016 to 2018, for their commitment and hard work.

From 1st May 2018, all Jackpot patrons will have to check for exclusion status before remaining in the Jackpot room as required by the Singapore Police Force. Our clubs CCTVs also had to be upgraded

Around the Greens

The eleven trees along the 8th Fairway have been suspected to be attacked by termites. The Club will be working with pest control and arborist to check on the state of these trees. Nettings have been installed to prevent balls from going towards Village Hotel and netting size have been increased for the 9th tee box for added protection from shots coming from 2nd tee box.

Our new lightning warning system with flashing red light at the starter shed now alerts all golfers when lightning activity is within 8km. The system continually monitors lightning activity and the time span for the lightning alert really depends on Mother Nature.
