

Phase 3 Heightened Alert Measures

As of 26 June, our caterer's food & beverage service has resumed in the clubhouse. Please **maintain 2-per-table and no intermingling** at all times.

Mask-wearing will remain the default till further advised. Masks may be removed when engaging in strenuous activities but must be worn as soon as the activity has stopped. If you feel unwell or are experiencing breathing difficulty, you are strongly advised to stop play and seek medical attention.

We hope members can exercise "**self-regulation**" and "**self-enforcement**", remind each other to be socially responsible: mask-wearing, safe distancing, 2-per-table and no intermingling. In doing so, we can all play our part to keep CGC and ourselves safe.

AGM: Special Resolutions

We have circulated the renovations proposal, put up the mood board and FAQs on our website. However due to the current COVID-19 restrictions, we have not been able to hold any face-to-face dialogue sessions with members. Engagement and discussion with members prior to members casting their votes has been raised by several members.

Therefore, the **Management Committee has decided to hold off both Special Resolutions** (including the clubhouse renovations proposal) in the coming AGM. We will organise members' dialogue and engagement sessions which will culminate to an EOGM when the COVID-19 situation allows for these to take place in a safe & responsible manner.

Honorary Membership Award: Colonel Guru

We are pleased to announce that our beloved and respected **COL (Retired) Gurcharan Singh** (or more affectionately known as Colonel Guru) has been accorded Honorary Membership. Colonel Guru has served as our Club's Vice President, Development Committee Chairman and member of the Lease Renewal Committee, for the betterment of Changi Golf Club and our members selflessly. **Thank you, Colonel Guru!**

Have you been 'jabbed' yet?

If you have yet to do so, we strongly encourage all members to get your COVID-19 vaccination shots.

While there is no 100% immunity, the vaccination shots will provide protection and reduce the severity of symptoms. This also helps to keep you, your loved ones & friends safe.
