

HAPPY NATIONAL DAY

The Management Committee wishes all members and staff a happy National Day!

NATIONAL DAY SOCIAL GOLF EVENT: TUE 9 AUG AM

Please be informed that CGC will be hosting a social golf event on Tue 09 Aug in the morning. No AM slots will be available for booking. Afternoon (PM) and evening 9-hole games will be General Play and will not be affected.

CHANGI BEACH CLUB RECIPROCAL WEF 1 AUG

With effect from 1 Aug 2022, CGC members will be able to use the facilities at Changi Beach Club at a day rate of \$6. Some facilities will be chargeable at CBC's guest rates.

SLOW PLAY

Slow play has been increasing on our golf course. Golfers are reminded to keep pace of the flight ahead, so that we can all enjoy our golf games.

With immediate effect, marshals will advise flights deemed to be slower than usual that they have been "put on the clock". If slow play continues, these flights will be instructed to skip the holes ahead so as to catch up with the flight ahead. If slow play still persists, marshals will instruct these flights to discontinue their games.

MEMBERS' CONTACT UPDATE

Have you updated the office with your most frequently used email address and mobile phone number?

UPDATE BY RENOVATIONS COMMITTEE

The Renovations Committee presented the ladies' toilet design on Sat 28 May & Sun 4 June to the ladies group. Their comments and feedback have been taken into consideration and modifications have been made. Meanwhile, Consultants & Contractors were invited to site show rounds to give proposals and ideas to show their interest in the renovation work since May.

Following this, a Quantity Surveyor and Project Manager consultant have been selected to prepare the tender documents. As such, we have invited contractors including those who are Club members. This was closed on 19 June. Meanwhile, the contractors were shortlisted and tender documentation were finalized.

The Club renovations project was tendered on Friday 15 July in 2 separate site show rounds & project briefings. Tenders will return in mid August and evaluation/assessment may take 1-2 months and thereafter if all goes well, design, submission & construction will take about 8 months till next year.

Thank you for your thoughtfulness
