

## DON'T LET YOUR GUARD DOWN!

With effect from 29 Aug 2022, as advised by the Multi-ministry Taskforce (MMTF) and the Ministry of Health (MOH), safe management measures have been eased further:

- No group size limit
- Safe distancing between individuals & groups will not be required
- Wearing of masks will be optional including indoors, except for healthcare facilities, resident care homes, ambulances & public transport

We hope to remind members & their guests that we (yes, the world) are not out of the COVID woods yet!

Please do not let your guard down: **mask-up** to protect yourselves, your loved ones & your golfing buddies & **be socially responsible**. If you are unwell, please seek medical attention, stay at home & self-isolate if necessary.

## ONLINE 'GOOGLE FORM' REGISTRATION

Members should have received a message from the Club using Google Forms to register your participation in the September medal. This is one of our steps to streamline work processes & automate with self-assisted technology.

We appeal to members for your patience, understanding & cooperation. Thank you.

## MEMBERS' SURVEY ON WEBSITE & COMMUNICATIONS

We have sent out a survey to gather members' feedback on our Club's website & our communications with members. This survey is rather comprehensive & somewhat longer than usual, because your granular & detailed feedback is needed to shape our communications to our members & stakeholders better.

We seek your assistance to participate as actively & honestly as possible in this survey. Thank you!

## MEMBERS' CONTACT UPDATE

Have you updated the office with your most frequently used email address and mobile phone number?
