

RENOVATION UPDATE

We are pleased to update members that the Club has awarded the Design & Build contract for the approved clubhouse renovations and improvement works to Harvest Chain Pte Ltd for the contracted amount of \$929,869.00 (excluding the prevailing GST).

The contracted scope of works will cover the following and is expected to take about 11 months to complete:

- Design and Build of Level 1 ladies' toilets
- Improvement of Level 1 men's toilets
- Improvement of Level 2 toilets
- Repair to areas of roof leaks
- Painting of the exterior of the Clubhouse

Members would have noticed that roof repairs have already started. Some temporary measures for the toilet and washroom facilities will be implemented throughout this period. We seek members' patience and understanding as we work towards minimizing inconveniences and discomfort to members and for the safe operations of the clubhouse.

We will advise members with the progress and ongoing works for the renovations.

In the meantime, please contact Dhillon, Club Manager, at dhillon@changigolfclub.org.sg should you wish to provide feedback arising from the services and operational disruptions.

CATERER UPDATE

With immediate effect, we regret to inform you that the Lighthouse food service and the sale of alcohol have been suspended temporarily.

In view of the situation and till further notice, members who wish to dine within the clubhouse premises will be allowed to bring their own food and/or use a food delivery service. Changi Golf Club's address is: 20 Netheravon Rd, Singapore 508505.

If you wish to organise a party with an external caterer, please coordinate with Teeny, teenyt@changigolfclub.org.sg in advance.

Non-alcoholic beverage service will remain undisrupted & will be undertaken by the Club. Corkage fees will be waived during this period. All beverage service will be cashless where members will be required to sign their bills to their respective club membership accounts only.
