

RENOVATION UPDATE

Members would have received an update on the renovation of the clubhouse. Please bear with us as we improve our facilities for the future betterment of all members.

WAIVER OF MSL

As we seek to find a suitable caterer for the food and beverage operations and service at the clubhouse, the Management Committee has decided to waive the Minimum Spending Levy (MSL) from February 2023 till food and beverage service resumes.

This resumption of service will depend on the evaluation and selection process of the caterer.

CATERER UPDATE

Since Lunar New Year, our caterer, Lighthouse, has terminated their service at CGC prematurely. We are in midst of calling out for interested parties to be the Club's caterer to service members' food and beverage needs.

We have recently been granted our liquor licence and beer service has resumed. However due to negotiations with other liquor beverage suppliers, the Club will not be able to offer non-beer alcoholic beverage service.

Members who wish to consume non-beer alcoholic beverages may do so on a Bring-Your-Own or BYO basis. Corkage charges will be waived till a full bar service can be offered.

In view of the situation and till further notice, members who wish to dine within the clubhouse premises will be allowed to bring their own food and/or use a food delivery service. Changi Golf Club's address is: 20 Netheravon Rd, Singapore 508505.

If you wish to organise a party with an external caterer, please coordinate with Teeny at teenyt@changigolfclub.org.sg in advance.

Please note that all beverage service will be cashless where members will be required to sign their bills to their respective club membership accounts only.

We will keep members updated on the status of the caterer, food and beverage operations and service.

Thank you for your cooperation and understanding.
